FULL-STACK DEVELOPER

I am an aspiring fullstack developer with experience in Java, Spring Boot, PHP, Laravel, React, MySQL, and Oracle. I have worked on multilingual projects (English, Spanish, and Portuguese) and am always eager to expand my skills and knowledge. I am comfortable working with deadlines and collaborating with teams, and I am looking for opportunities where I can grow professionally while contributing to the success of projects and teams.

KEY COMPETENCIES

Problem-solving mindset	Time management	Strong interpersonal skills
Multilingual cooperation	Critical thinking skills	Proactive and self-motivated
Adaptability	Excellent communication skills	Exceptional organisational skills

PROFESSIONAL EXPERIENCE

Meisters Solutions

2024 - Present

Java Intern

As a Java and PHP Intern at Meisters Solutions, I assisted in programming with various computational languages, including Java and PHP. I supported system analysis and development, monitored software progress, and contributed to technical report preparation. I gained hands-on experience in Java, PHP, Spring MVC, Hibernate, and other technologies while collaborating on diverse projects.

Peloton Group

Mar 2023 - Aug 2023

Technical Consultant

Technical Consultant at TRI CS Inc., working on national and international Oracle implementation projects. Responsible for developing integrations and applications using Oracle Integration Cloud and reports with Oracle BI Publisher.

ICI - Instituto Curitiba de Informática

Aug 2022 - Mar 2023

N1 Support Technician

As an N1 Support Technician, I provided initial technical support to the city of Curitiba, resolving software and hardware issues, collaborating with various teams, and ensuring clear communication and proper documentation.

EDUCATION & CERTIFICATIONS

Bachelor's in Computer Science

Universidade Positivo

Courses - Udemy

Microsoft Office, web development (HTML, CSS, JavaScript), Python, SQL, PL/SQL, programming logic in C#, C, Java, as well as ITIL.

Courses - Alura

Angular, Java (SE 7, JDBC, JPA), PHP, Docker, Git, MySQL, Spring Framework, Hibernate, Jenkins, API consumption.

EXTRACURRICULAR ACTIVITIES

Youth Leader at Church

I am a leader in my local community, teaching and caring for young people.

Volunteer at Orphanages

Through my church, we conduct monthly visits and provide care for children at orphanages.
